

## BEADED BRACELET "EASY ELEGANCE"

Discover how easy it is to create your own handmade bracelet that is more than just an accessory - it is a work of art!

### MATERIALS: 7" bracelet

84 4mm beads (recommend crystal, bicone)  
19 double drilled slider beads  
Size 15 seed beads  
1 multi-strand clasp  
8 crimp beads  
Beadalon flexible wire (recommend 7 strand)  
Crimping pliers  
Side nippers

### INSTRUCTIONS:

1. Cut four strands of beading wire 12" long. String a crimp bead on one strand and go through the first loop of the clasp and crimp bead. Repeat for the other strands, sharing loops of the clasp if necessary.
2. String four (4mm) beads and one seed bead on the first and fourth strands.
3. String one (4mm) bead on the second and third strand, then a double drilled slider bead over both strands, then one 4mm bead on each strand.
4. String on one double drilled bead on the first, second, third and fourth string. If any of the wire shows, add a size 15 seed bead.
5. Repeat steps 2 through 4, until you have six sets, then repeat steps 2 and 3.
6. String a crimp bead on the first strand, go through the corresponding loop on the clasp, and back through the crimp bead. Crimp the crimp bead and trim the tail. Repeat for the other three stands.
