

Teardrop Necklace & Earrings

Step by step instructions for creating your own unique jewelry set.

MATERIALS:

1. Flexible beading wire .015
2. 11 large faceted beads
3. 3 strands of teardrop beads
4. 28 small round or rondelle beads
5. 1 toggle clasp
6. 4 crimp beads
7. 2 fish hooks

YOU WILL NEED:

1. Chainnose pliers
2. Wire cutters

INSTRUCTIONS for NECKLACE:

1. Cut 4 foot piece of wire, put one piece of clasp in the center.
2. String a rondelle and a crimp bead over both ends of wire and crimp.
3. String one rondelle, one large bead and one rondelle over both ends.
4. String 10 teardrop beads on both ends of wire.
5. Repeat steps 3 and 4 nine times.
6. There should be 11 large beads. String a crimp bead, one rondelle and the other piece of the clasp. Crimp and trim wire.
7. Attach your large dangles to the chain links in between beaded cords (7 large dangles per segment) using your split ring pliers, to complete your bracelet.
8. Let dry overnight.

INSTRUCTIONS for EARRINGS:

1. Cut 6 in. piece of wire. String four teardrops in center.
2. String one rondelle over both ends.
3. String two teardrops on each end. String one rondelle, a crimp bead and an ear wire
4. Feed wire back through crimp and crimp shut. Trim excess.
